

THE GEELONG OBEDIENCE DOG CLUB INC.
NEWSLETTER NO.17

Once again our Newsletter can say we held yet again, another successful Trial. Our entries reached 245 and the all important weather person arranged a good day for it if you were lucky enough to be standing in the sunlight.

A successful Trial is not just determined by the number of successful competitors, but rather by the success of the Trial as a whole, i.e. the way in which it is conducted. The smooth precision with which it is run is made this way by a dedicated team of people called your COMMITTEE, who combine their talents as a team, without which no Club can attain successes like this. Special thanks must go to each member of the Committee in the administration of their roles. At trial times working bees are held to prepare the grounds, rooms and kitchen and to the folk who came along prior to, and on the day of the trial, thanks are extended to you. The catering was well run fulfilling everyone's needs (believe me our Club far excels the local Kennel Club in catering arrangements every time) and the ever popular cake stall was well stocked. I saw some ladies carry in boxes and obviously some had spent a lot of time cooking in preparation for the day, many thanks to all those who helped stock the table with those goodies. Thanks too to the people who made casseroles to feed the Judges and Stewards.

Now as mentioned the Committee are a dedicated team of workers and that's what being on a Committee means, you all pull TOGETHER. Those who want to now separately can place the overall aims of the Club in jeopardy. So to be on the Committee you must have the time to come to meetings, time to be responsible for various delegated work areas, and be prepared to work for the overall good of the Club. Why am I saying all this again? Well elections are coming up shortly and nominations for the Committee have to be made in Writing (see Secretary's report further on).

If you feel you would like to nominate someone for the Committee it is first necessary for you to ask that person whether they wish to stand. As the nominations will all be in written form, members are requested to fill in one or more (if you wish to nominate more than one person) of the ballot papers.

HELP TO TRAIN A GUIDEDOG

Training a Guide Dog for the Blind is a long, exacting, and expensive business. You can help without effort or expense.

Simply save panels from specially marked packs of Kleenex Tissues or Bathroom Tissues. Either forward to Kleenex, Australia, or leave in box on the Librarian's desk, and they will be forwarded regularly. For every panel received, Kleenex Australia will donate \$1.00 to the target of \$50,000 for the training of guide dogs.

Phyl Bergin

ALL CLUB FEES ARE DUE AND PAYABLE BY THIS DATE (26.7.87).

IF YOU HAVEN'T PAID THESE FEES ALREADY YOU COULD FIND YOURSELF HAVING TO PAY A REJOINING FEE.

SECRETARY'S REPORT

Soon the ANNUAL GENERAL MEETING in October i.e. 6th October will be upon us. At that time all positions on the Committee become vacant and a new Committee will be elected for the next twelve months.

To be eligible to serve on the Committee, one must have been a member of the Club for not less than three months of the financial year preceding the Annual General Meeting and is currently a financial member, at least 18 years of age and a member of the Kennrie Control Council.

A voting list of eligible members will be on display in the second half of August. Ballot papers also will be available in August and nominations must be in by the 15th September. Both nominee, nominator and seconder must sign the ballot paper and the K.C.C. membership number of the nominee must be quoted.

ALSO a reminder of our fundraising program of "Buy a Brick" for \$5.00. It is going rather slowly and we need more money to complete the storeroom and toilet. If you have \$5.00 to spare, come and see me in the Secretary's Office and I will be happy to take it from you.

A LEADER IS SOMEONE WHO SEES A LOT OF PEOPLE GOING IN ONE DIRECTION AND THEN JUMPS IN FRONT OF THEM.

DID YOU KNOW -

There are a small percentage of club members who show their dogs as well as train them in obedience work. By gaining both a recognized show championship title prefixing a dog's name and then having it followed with an Obedience title lets those people who use their dogs for breeding ensure puppy buyers that the parent stock has proved themselves to be sound in both their conformation and working categories.

We have one Club member who is a recognized and well respected breeder who likes all her dogs to obtain dual titles. The lady in question is HELEN READ. On the showing side recently Helen had not only the best male Rottweiler at one of the Championship Shows, but also the best bitch, and that is no mean feat, especially with the number of Rottweilers currently being shown. Congratulations, Helen.

To the new members who DON'T know Helen, just watch for the lady who flits in and out of various classes each training session; sometimes handling four different dogs for the morning.

Helen has competed in Interstate Agility Trials and has her own equipment at home and of course guided our Club in the initial setting up and manufacture of its equipment. Shortly both the Staffordshire Bull Terrier Club and the Rhodesian Ridgeback Club are spending a day at Helen's learning how to use Agility equipment which will ultimately lead to more people being available to compete in our future Agility trials we run.

Apart from that Helen is the first person in Victoria/Australia to hold Dual Show and Obedience Titles and they were well earned. To obtain these qualifications on the show side, a dog/bitch has to obtain a set number of points to qualify as an Australian Champion, and then to obtain the Australian Obedience Champion title a dog has to earn each of the following titles -

| | | |
|--------|-------------------------|----------|
| C.D. | Companion Dog | 6. 4.79 |
| C.D.X. | Companion Dog Excellent | 12. 8.80 |
| U.D. | Utility Dog | 18. 7.82 |
| T.D. | Tracking Dog | 4. 7.80 |
| T.D.X. | Tracking Dog Excellent | |

and so earn the title AUSTRALIAN OBEDIENCE CHAMPION on 18.7.82.

There is a photograph of that very special dog of Helen's on our Club room wall near the library area.

There are currently four people undertaking the full Police Dog Handlers training course and Helen is fortunate to be one of those participants.

So members it is not just the official trainers who can help you with problems that occur in teaching your dog a specific exercise; there are specialists in the Club with a wealth of knowledge and experience behind them, only too willing to offer help should you so desire.

Remember the learning experience never ends. - We can learn so much from and about our dogs as each day goes by and they too learn more about hates, dislikes and idiosyncrasies.

REPORT ON "RESPONSIBLE DOG OWNERSHIP PROGRAM"

As was previously publicized our Club held a Public Awareness Meeting on "Responsible Dog Ownership" on Wednesday 17th June.

It gives me great pleasure to report that we received an overwhelming response to the meeting, with approximately 200 people attending - 40 or so Club members and invited guests, with the remaining people made up of the general public. Our clubrooms were filled to capacity.

All six speakers admirably covered the various aspects relating to responsible dog ownership and each did an excellent job in covering their particular subject.

We feel sure that everyone present learned something useful and we have received very positive feed-back from people who attended. With the success of the project we hope to make it an annual feature

I would personally like to thank all those people who assisted me in this project and who worked very hard to make it a success -

to Graham Douglas, Phyl. Bergin and Stuart Innes, who assisted on the Sub-Committee in the organizing of the program;

to Graham and Stuart for the great job done in speaking on their subjects - "Selecting the correct dog to suit individual circumstances" and "The benefits of an Obedience Trained Dog" respectively;

to Nancy Ball for organising the canteen and coping with the 200 odd cups of coffee, also her helpers on the night;

to everyone who brought along a plate for supper - it was all delicious and much appreciated by our guests;

to those who set up the hall on the Tuesday night'

to Barry Elliott for arranging the pick up and return of the films and for copying the publicity pamphlets;

to everyone who attended;

and lastly but by no means least, a very big thank you to Stuart Innes who organised the publicity, including the great feature article published in "Lifestyle" in the Geelong Advertiser. Thanks Stuart for all the running around you did. Without the publicity the meeting would not have been the success it was.

We have already reported on the success of the program and passed on our thanks to the Councils and the K.C.C. for their interest and support.

Once again, thanks to everyone who helped make this very worthwhile Community Service a success.

It is with regret that the Club is losing two of its most helpful and dedicated members.

Congratulations Jim on getting a promotion and transfer to Warrnambool.

Jim has been a man of many talents, training several dogs to C.D. and Nancye has helped in their early training in the puppy classes. Jim has served the Committee well, currently holding the positions of Trial Secretary and Bar Manager. He has been the printer/runner off of our Newsletters and I for one will miss this assistance. Jim is also one of the Club's Life members, so I am sure we will have many visits from the Ball family in the future. Probably Jim will come down to compete in our trials and take off some of the trophies he has been instrumental in purchasing.

Nancye has been a Committee member of some years standing and has virtually run the canteen single handed for most of this term of office due to the Canteen Manager's illness and work commitments and done the job admirably.

Your helping hands and hot cuppas will be missed by all of us Nancye.

All Committee and members wish Jim, Nancye and Cathic Ball all the best for their new adventure.

WASTE MATTER

OUR CLUB GROUNDS ARE AVAILABLE FOR ALL MEMBERS TO USE TO TRAIN THEIR DOGS ON DURING THE WEEK WITH THE ONE STIPULATION - CLEAN UP YOUR DOG'S MESS. IT IS YOUR RESPONSIBILITY, SO BRING YOUR OWN POOPA SCOOPER AND DISPOSE OF THE REFUSE WISELY. IT IS NOT UP TO THE GROUND MANAGER OR ANYONE ELSE TO BE YOUR SLAVE!!!

LIBRARY NEWS

What motivates members to donate to our club library? Sometimes, the high cost of books (often \$40-\$50), which inspires breed fanciers to club together and purchase a specialist book, the care and borrowing of which will be controlled by the Librarian.

In the case of Jan and John Boeyen it was some controversy over the spelling of "inoculation". Thanks to John and Jan for the donation of an *English Dictionary*, AND ALSO A MOST INFORMATIVE READERS' DIGEST PUBLICATION, *You and Your Dog* - a complete guide. THANKS ALSO TO DESMA DICKASON FOR *Dogs of the World*.

Recent purchases for the library include -

*Morris, D. - *DOG WATCHING* (origins of dog's instinctive behavior and its manifestation in modern society).

Hart, E. - *YOUR GERMAN SHEPHERD*

Portman-Graham, B. - *THE MATING AND WHELPING OF DOGS*

RUBIN, S. - *SELECTING AND CARING FOR YOUR DOG*.

P.Bergin - Librarian

*In the "NEW IDEA" issue july 25 there is an extract from *DOG WATCHING* by D.Morris, so perhaps you can wet your appetite on that before borrowing the complete book.

WANTED WANTED WANTED WANTED WANTED WANTED WANTED

A mutt who has come from ragsto riches.

If you have an unregistered dog who came with a history of gross mistreatment either physical or mental from earlier placements in his/her life OR if you have a dog who has suffered severe illness or disability AND who has battled on to become a successful obedience dog and companion to you, maybe Dame Fortune has even greater rewards in store for you.

Anyone who thinks they know of a WUFFIE to suit the role, please contact STUART INNES.

MEMBERS are reminded that Rule Books for the Conduct of Obedience Trials and Tracking Tests are available from the Secretary/Treasurer for a nominal price. Even if you are not planning on competing the books are a handy asset and helps you to understand what is happening at a Trial.

All views expressed in this Newsletter may not necessarily be that of the Club and Committee.

HOW TO WRECK YOUR CLUB IN 10 EASY LESSONS

1. Do not come to meetings.
2. If you do, come late.
3. If the weather does not suit you, do not think of coming.
4. Never accept office. It is easier to criticise than do things.
5. If asked by the Club to give your opinion regarding some important matter, tell him you have nothing to say. After the meeting tell everyone how things ought to be done.
6. Do nothing more than is absolutely necessary, but when other members roll up their sleeves and willingly and unselfishly use their ability to help matters along, howl that the Club is being run by a Clique.
7. When participating in club discussions always put an alternative view, whether it is right or relevant in an attempt to hamper club progress.
8. Play club politics behind the Committees back with the aim of creating unrest and division within the club. Feel free to degrade hard working members and to create whatever lies will serve your purpose.
9. Hold back your subs as long as possible or do not pay at all.
10. Dream up and implement other means of wrecking your Club.

Unfortunately, this Club is no longer in existence!
